

Westmount High School
SUMMER SCHOOL INFO 2016
(Sec IV and V)

All **Secondary IV and V (Grades 10 and 11)** students will be receiving their Statement of Marks from the Ministry of Education in early July. This report card will have the **final marks** (combination of class and exam marks). **Make sure that all the courses that were completed in grades 10 and 11 are on the Statement of Marks. If anything has been left out, please contact Guidance in mid-August.** (Please note that the marks on the Westmount High School report card are **not** the final marks in certain subjects.)

***** If they prefer, Grade 10 and 11 students have the opportunity to do a 10-day exam review at John F. Kennedy High School (instead of the traditional 3 week summer course) and then rewrite the Ministry exam. This exam mark will be 100% of the course mark - no class work is included. Student may opt to take a review class and then the exam, or simply register for and write the exam.**
