

WESTMOUNT HIGH SCHOOL SUMMER SCHOOL INFO 2016

Secondary I, II, and III

Summer school provides high school students with the opportunity to obtain required credits for promotion or certification, to meet course prerequisites and to generally prepare for next level courses. Important topics will be reviewed and taught, but it will be the student's responsibility to make sure that they are properly prepared for the course evaluations.

The final Summer School evaluation will be stamped with a PASS or FAIL description.
